

After you read this book (if you buy into its concepts) remember this: “Your heart is where your treasure is,” therefore, your treasure should be invested to work for you, i.e. “Give and it shall be given unto you, heaped up, pressed down running over shall men give unto you.”

Also, Jesus taught us, “**You reap what you sow.**” In other words, put your capital (Zion) to work for you making Shylo, i.e. peace, and you too will be a peace-maker.

The 3-D six point Star of David was first created and published in the BRANCH COLUMN, Spring 2003. It was created in a CADD drawing by drawing a green square with a blue and red border and copy rotating this square 90° about a common center; then recolor the copy blue, then repeating the process and recolor the third copy yellow, and finally projecting the results isometricly and superimposing it on a golden hemisphere with six inverted golden half bolls between the points.
