

SHYLO: A PRESENT FOR YHWH

*“The word that Isaiah the son of Amoz saw
Concerning Judah and Jerusalem.*

*And it shall come to pass
in the last days, that
the mountain of the LORD'S house
shall be established in the top of the mountains,
and shall be exalted above the hills; and
all nations shall flow unto it.*

*And many people shall go and say,
Come ye, and let us go up to
the mountain of YHWH, to
the house of the God of Jacob;
and he will teach us of his ways,
and we will walk in his paths:*

*for out of Zion (The Capital) shall go forth the law, and
the word of the LORD from Jerusalem.*

*And he shall judge among the nations,
And shall rebuke many people:
and they shall beat their swords into plowshares,
and their spears into pruninghooks:
nation shall not lift up sword against nation,
neither shall they learn war any more.*

*O house of Jacob, come ye, and
let us walk in the light of YHWH.” (Isaiah 2:1-5 KJV)*

CHAPTER

2

Building Peace:

Joy alone is joy unknown . . .

On Planet Earth

*“In the visions of God brought he me into the land of Israel, and set me upon a **very high mountain**, by which was as the frame of a city on the south.” (Ezekiel 40:2 KJV)*

Building peace requires we climb another mountain, a mountain Ezekiel called A Very High Mountain (AVHM). YHWH’s instruction to us about this MOUNTAIN is the reason for writing this book.

This is not a normal mountain, it is a **man made mountain!** You see, to climb this mountain you must first DESIGN AND BUILD *A Very High Mountain (AVHM)*.

To design and build AVHM you must have:

Business ABCS

1. A Building Business
2. Building Business Goals
3. Client/Sponsor for Buildings
4. Design Team
5. Selected Names for the Business and Buildings.

Joy Of Business

We at David's BRANCH are in the Building Business. This MOUNTAIN that Isaiah looked forward to is our Joy Of Business (JOB) at David's BRANCH.

*It shall come to pass
in the last days, that
the mountain of the LORD'S house
shall be established in the top of the mountains,
and shall be exalted above the hills; and
all nations shall flow unto it.*

As many modern prophets have noted, 'we are living in the last days.' So, it stands to reason that, 'It shall come to pass . . . That the MOUNTAIN OF YHWH'S HOUSE shall be established . . . And all nations shall flow unto it.'

At David's BRANCH we consider it our JOB or goal to **Establish THE MOUNTAIN**. This is our Business Goal, To BUILD A Very High Mountain; And that goal will produce our product, *peace on earth*. This product is produced to present as A PRESENT, Shylo, to our Client/Sponsor and our children's children.

This JOB requires Action, Change and Teamwork, in these last days. The **Action** is that THE MOUNTAIN shall be established i.e. built, the **Change** is that it shall be exalted above THE HILLS i.e. state and national capitals; and the **Teamwork** is that all nations shall flow unto it, i.e. cheerfully and peacefully assemble on THE MOUNTAIN.

The mountain of the LORD'S house is indeed A Very High Mountain (AVHM) (RE: Chapter 8). So, the path to AVHM requires, teaching and assembling a climbing party to climb "THE Mountain" that Isaiah and Ezekiel describe. But before it can be climbed it must be established. That means *designing and building* A Very High Mountain.

Chapter 2 —Building Peace! On Planet Earth?

The mountain of the LORD'S house is also A Very Important Mountain. It is exalted above all the Capital Hills on planet Earth, and it is used by selected representatives of all Nations. To be exalted above THE HILLS also means that it is more distinguished, important, prominent, glorious, dignified, and generally superior in size, shape, detail, order and function than all the national and state Capitals on Earth.

You will learn details about the MOUNTAIN in subsequent chapters. For now you know little about this mountain, but if you are going to design, build and climb with us, you must know it 'like the back of your hand.' This will require much study and training.

A special design team is required. Not every one will qualify. You will need special skill sets to succeed.

First you will have to be enthusiastic toward the mountain. You will have to really want to design and build it, and it will require your full attention. It will 'be' only if you give it your undivided concentration.

Second, you will need skills, training and experiences useful in establishing AVHM. There are many and varied skill sets needed in designing and building a project such as this. A few of them are Directors, Architects, Engineers, Designers, and Illustrators; Project Managers, Programmers, and Graphic Specialists; Communicators, Transportation Planners, Urban Planners, Efficiency and Industry Experts; Real Estate Specialists, Geologists, Environmentalists and Archeologists, etc. The list could go on and on, but this is a good example.

These *experts* will be charged with the duty of planning A Very High Mountain, ETC, and related needs including: housing, employment, and retail activity; industrial services output, innovation and energy production; water and maritime activities, recreation and open space; landscaping, agriculture, mining and mineral production; environment and natural resources analysts; related public utilities, transportation, economic development, social services, and historic preservation to name a few.

Third requirement, you will need to be *called*, and *filled* with the spirit of Elohem, in temperance, wisdom, understanding, and knowledge in all manner of construction; to see, design and invent machinery, methods and forms; to

SHYLO: A PRESENT FOR YHWH

work with diverse materials in all sorts of assemblies; and make all that is specified by YHWH and his servants at David's BRANCH.

Before we attempt to BUILD AND CLIMB "This Really Big Mountain" together you will need to know and have some confidence in your Sponsor, Guides and Instructors. Let me introduce some of our SPECIAL JOB FORCES TEAM to you. First is our Sponsor.

An Interview With Our Sponsor:

BRANCH: Father in Heaven, you said you put your HOPE in us, that we are your hope of glory? Are you 'hoping' that we will fulfill your word?

To whom God would make known what is the riches of the glory of this mystery among the Gentiles (Nations); which is Christ (THE ANOINTING) in you, the hope of glory: (Colossians 1:27 KJV)

FATHER: Yes! What did the Angles say to the shepherds?

BRANCH: *'Peace on Earth, good will to men?'*

FATHER: This is my declared *will* for Planet Earth; PEACE ON EARTH! Peace is what you find in Heaven. And it is my hope, my purpose in you.

Overcoming obstacles to my '*will*' is OVERCOMING. You overcome first within you, you have peace in yourself first; then together with your neighbor you fulfill my will for peace in you nationhood, until together with all other neighborhoods, you finally have peace on earth. I have raised you up in rightness, now I expect or hope you will perform to my standards." As I said before:

*'Ask me of things to come concerning my sons, and concerning the work of my hands command ye me. I have made the earth, and created **man** . . . I have raised him up in righteousness, and I will direct all his ways: **he shall build my city**, . . . (Isaiah 45:11-13 KJV)*

You see, the key to successfully overcoming is letting me *direct* all your ways.

BRANCH: Man will build your city, Father?

FATHER: Yes!

BRANCH: You mean **The New Jerusalem** that comes down out of Heaven, i.e. *space*?

Chapter 2 — Building Peace! On Planet Earth?

FATHER: Yes! But, you are at least 1,000 years from being ready for that JOB. Your space ability is in its infancy. You need more experiences, and testing before you are ready for this great project. You have to accomplish *peace on earth* first before you can succeed in space.

BRANCH: Jesus said that he had already overcome the world. Why are we still having wars?

FATHER: You have wars because you want wars, you declare war, and I give you what you want. If you want peace you can have peace, just ask me for it. You have not because you ask not, or you ask for something that won't give you peace.

BRANCH: *These things I have spoken unto you, that in me ye might have **peace**. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.* (John 16:33 KJV)

This word *overcome* is exactly the same Greek word used in speaking to the churches in Revelations. So what does it mean? If you have overcome, how come there still is some obstacles to overcome?

FATHER: The operative key is your location, where are you in your thinking? Are you in the world, or in MY KINGDOM. For in MY KINGDOM is peace.” (Ed: World i.e. Greek *Kosmos*: *orderly arrangement*, that is *decoration*, a *kiosk*: a *cute booth*, without a roof, a *temporary dwelling*.)

I overcome the pomp and ceremony, the decoration and confinement of this kosmos. My kingdom is not of this world with its confinements and struggles for position. By me you are anointed to your JOB, and that by me alone.

There is much more for you to do as I told Jeremiah:

‘See, I have this day set thee over the nations and over the kingdoms, to root out, and to pull down, and to destroy, and to throw down, to build, and to plant. (Jeremiah 1:10 KJV)

Not only is it necessary to overcome in the sense of rooting out, pulling down, destroying, and throwing down, but you, that is we, must also build and plant.

‘Think not that I am come to send peace on earth: I came not to send peace, but a sword.’ (Matthew 10:34 KJV)

I pull down the *decorations of Babylon* and *remove the kiosks* that you hide behind. You BRANCHES are called to build and plant, that is, what you See—in our spirit, you—Make; prove yourself righteous, in my righteousness.

SHYLO: A PRESENT FOR YHWH

Build my House, and I assure you, you will have PEACE ON EARTH. For, without me you can do nothing. You must have peace within, that is in me, I am peace which I gave to you, so you have the ability to complete your JOB; because you have peace within, you will have PEACE ON EARTH, and that is coupled with our plans for A Very High Mountain.

BRANCH: Thank you Father, we obviously have much to learn about peace!

Now it is time to introduce our SPONSORS:

Special Forces Team

Our first Special Forces Team member is THE WORD. She is the standard guide book all Kingdom Builders and Mountain climbers follow. You know her as THE HOLY BIBLE; *Basic Instruction Book for Living on planet Earth*. From her we learn of past successes and failures in mountain building and climbing. She is the rock upon which we stand, fall, or under which we are crushed. She is our guidebook for our Joy Of Business (JOB).

Your next instructor is FEAR. He will make you wise in the ways of AVHM, but watch him closely, for his JOB is to do all he can to keep you from even attempting to climb. If you let him discourage you, his instruction will discourage others also.

Next to him is PRIDE. She is a clever climber. She does things no one else would dare to do, but don't try all her tricks, for they will surely get you injured or killed before you reach the top which is our Joy Of Business..

Then there is NO-IT-ALL. He team teaches with FEAR and PRIDE. They are your SAFTY Instructors. Their JOB is to get your mind and body ready to accomplish the impossible. In their class you will suffer pain, but when they finish with you, you will be ready to meet you next instructor:

Here is THE MESSIAH, a.k.a. Jesus Christ, Joshua, Yah-ho-shua = *Yah-who-saves, the anointed one, our advocate before the Father, the favored son, seated on the right hand of the Father*. You will call upon him often to rescue you. He

Chapter 2 — Building Peace! On Planet Earth?

is your FIRST AID Specialist and your advocate when you are in trouble. He will insist that you graduate from the SAFTY CLASS. He will teach you how to fall and get up again, he will bandage your wounds, message you feet, and fix your broken relationships, and go to bat for you; his JOB is to teach you to enjoy and sacrifice for your fellow teammates. In his class you will learn GPS (Gospel Plan of Salvation) so you will never be lost again.

Next we have THE WIND, a.k.a. Holy Spirit, Ruach = *a ruck; a force* acting upon a vast number of people or things all at ONE time. She is provided as a SPECIAL FORCES Instructor to teach you 'instinct', that elusive element that keeps you going against all odds, and protects you from unseen dangers, and causes you to work with others for a great goal that will glorify the Father. She will insist that you pass all your courses, as she rounds out your instruction in HOPE. Her JOB is to give you *your* SPECIAL ASSIGNMENT and position you within the TEAM for the greatest benefit to all parties.

The last member of our SPECIAL FORCES TEAM is me, your guide and instructor for the moment. My name is See-MaKe, or the BRANCH. It is my JOB to procure, prepare, secure, and issue the equipment you will use to build AVHM. My most important lesson is: we all depend upon each other to OVERCOME and establish THE MOUNTAIN.

There are other team members, and the owner, who you already know as your HEAVENLY FATHER, YHWH, our ONE Sponsor who outfits us with all our supplies. We will teach you more about our Sponsor in Chapter 3.

Hopefully by now you have attended and passed your classes with FEAR, NO-IT-ALL and PRIDE, and you have a GPS and know Jesus Christ as the MESSIAH, and are now taking classes in THE WIND'S HOPE for you. If so, your JOB with the BRANCH is to don your equipment for mountain building.

Naming is a very important part of learning. In mountain climbing you have names for your gear, such as ice ax, crampons and names for techniques, such as the prusik knot, belay etc. In building you have names for your staff, procedures, objects, assemblies and projects and programs. So it is with A

SHYLO: A PRESENT FOR YHWH

Very High Mountain. You will be expected to learn and use all these new but important names related to AVHM. This is your JOB, if you are building with the BRANCH:

NAMES

We will talk about the names pertinent to our client in Chapter 3 and those related to the BRANCH in Chapter 4. In this Chapter we will learn the names of the major projects our Client requires us to Build on our way to Peace on Planet Earth.

In 1992 I made a trip to Israel, and consequently, was inspired by YHWH to focus our attention on the building of a very large dome building high over the precincts of Jerusalem. The parameters of this dome we discuss in Chapter 8.

We subsequently named this dome:

“A Very High Mountain”

AVHM

And the House of YHWH, described by Ezekiel, and depicted in Chapter 10, is on top of AVHM; and we named this facility:

Ezekiel’s Temple Complex,

ETC,

This facility is also named for its PURPOSE or use as a *‘House Of Prayer for all nations Everywhere’ or for Everyone:*

HOPE.

HOPE is the facility where we produce our PRODUCT:

PEACE ON EARTH

The whole land development project site we named:

A Kingdom District (AKD).

(This site is examined in Chapter 5.)

The purpose, benefit and outcome of completing these very large projects and developing AKD is:

PEACE ON EARTH,

Our MISSION then is to build a:

PEACE ON EARTH MOUNTAIN (POEM).

Now our POEM becomes our PROGRAM which we call:

A PRESENT,

By project management definitions ‘A PROGRAM’ is: *A*

Chapter 2 — Building Peace! On Planet Earth?

group of related projects that is managed together. Programs usually include an element of ongoing activity. Our activity is to present A PRESENT TO YHWH.

*“In that time shall **the present** be brought unto the LORD of hosts of a people scattered and peeled, and from a people terrible from their beginning hitherto; a nation meted out and trodden under foot, whose land the rivers have spoiled, to the place of the name of the LORD of hosts, the mount Zion.”* (Isaiah 18:7 KJV)

Now we have another name for our POEM, i.e.

ZION

Zion, means a summit, apex or SIGN. Zion is a sign post of peace on Earth.

Set thee up waymarks (Zion), make thee high heaps: set thine heart toward the highway, even the way which thou went: turn again, O virgin of Israel, turn again to these thy cities. (Jeremiah 31:21 KJV)

JOB PRODUCT

Every Business has a product, whether it be goods or services; it must have *something of value* that it provides or produces for its customers, otherwise, it has no business being in Business. This includes *not-for-profit* Businesses that you might not think of as Business, such as: Churches, Synagogues, Mosques, Monasteries, Monks, Priests, Bishops, Missionaries, Political Parties, Political Action Committees, Representatives, Congressmen, Judges, Firemen, Policemen, Armed Forces, governing bodies, and all other Professional Services; private and public servants, and politicians.

David’s BRANCH is no different. We have a product we want to provide for our customers, that is *Peace on Planet Earth, a POEM of HOPE.*

If you want Peace on Earth, then you are a potential customer, or member of staff, of David’s BRANCH.

With these thoughts in mind it is easy to identify **A BRANCH Business Competitor**, just reread the list above for a start.

SHYLO: A PRESENT FOR YHWH

*“Blessed are the peacemakers: for they shall be called
The Children of God.”* Jesus - (Matthew 5:9 KJV)

The Children of God everywhere, want PEACE AND SECURITY, in our neighborhood, and around this planet.

So, why is *Peace on Earth* so elusive? And, what makes **David’s BRANCH** organization think we can accomplish what no one else has achieved?

The BRANCH Mission (POEM) is: To Establish THE Peace On Earth Mountain, ETC; to obtain and provide the product: to See- PEACE ON EARTH, and –MaKe **A PRESENT for YHWH** and provide **HOPE** i.e. a **House Of Prayer for Every child's future**.

This is a lot to ask, but is it not worth the effort?

Do you really want this product? If you do, you can have the JOB for the asking.

We received a Christmas letter/card from life long friends, which starts thus:

*“Another year has passed
and again we are thankful for a happy and healthy year.
Our greatest wish still is for **peace on earth.**”*

Now the question we ask David’s BRANCH; is PEACE MAKING REALLY the Joy of Our Business (JOB)?

Building Summary

Do you See? We are preparing A PRESENT for ourselves and our Heavenly Father YHWH, that is:

HOPE,

And our HOPE for peace emanates from our POEM,
PEACE ON EARTH MOUNTAIN,

And this PEACE FILLED POEM is accomplished by A PROGRAM that assembles a group of related projects that are managed together under the authority of David’s BRANCH organization; in order to provide A PRESENT for YHWH our MISSION is to build a POEM, AKD, ETC which facilitates

Chapter 2 —Building Peace! On Planet Earth?

HOPE and brings us *peace on earth*. This is OUR BUSINESS, A PRESENT FOR YHWH, and our MISSION @DavidsBRANCH.

Imitation and copying are powerful learning methods. We sometimes tend to feel that people have to work out everything for themselves. Copying can be very effective, as suggested by Tony Jacklin.
