

A PRESENT

PRELIMINARY OUTLINE

A PRESENT: The Prophet Ezekiel gave the description of A Kingdom District (AKD) to us 2500 years ago. AKD is described as: "The entire portion will be a square, 25,000 cubits (almost 10 mi.) on each side." AKD is PRESENT given in love, a gift of land, plans, materials, and workmanship. "As a SPECIAL GIFT, you will set aside the SACRED PORTION along with the PROPERTY OF THE CITY."¹

A THRONE: AKD is a special place, set aside for a special purpose: "While the man was standing beside me, I heard someone speaking to me from inside THE TEMPLE. He said: 'Son of man, this is a place of MY THRONE and a place for the souls of my feet. This is where I will live among the Israelites forever.'"²

A PROGRAM / PROJECT: AKD is a PROGRAMMED PLANNING PROJECT with SPECIAL ORDERS to DESIGN AND BUILD: "Son of man, describe the temple to the people of Israel, that they may be ashamed of their sins. Let them consider the plan, and if they are ashamed of all they've done, make known to them the design of the temple--its arrangement, its exits and entrances--its whole design and all its regulations and laws. Write these down before them so that they may be faithful to its design and follow all its regulations."³
